SUBJECT: UGANDA: GOLDSTONE VOTE RESULT DEMARCHE DELIVERED

REF: STATE 155531

(SBU) Poloff reported the Goldstone vote results to Ministry of Foreign Affairs Multilateral Affairs Officer Issac Sebulime on November 10 per reftel, and thanked the Government of Uganda for abstaining on the vote. Sebulime reiterated Uganda's policy of abstaining on "politically-motivated" resolutions in the UNGA, noting also that this particular report was hundreds of pages long and that Uganda cannot analyze human rights questions beyond the region of East Africa.
